

# iCare

*iCare is a dangerous, two week  
pursuit of intentional love.*

Over 200 students at Appalachian State did this mission and thought it was pretty cool. We have all the resources you need to pull off your own iCare initiative.

## Vision

iCare is designed to increase your love for God and people. We want to move you from a posture of distraction to ones that will allow you to be more present in people's lives.

## Mission

Every day for 2 weeks, you will be given an iCare mission. Many will invite you to participate with others in the Cru community. Some will be personal and private. Many will be formal and public.

## Values

Faith // Sacrifice // Spontaneity,  
Gospel intentionality // Love-like-Jesus

## Commitment

1. Be faithful to attempt each mission .
2. Don't go alone. You must walk alongside others.
3. Keep a journal of your thoughts and actions.

## Communication

Every morning you will be texted an iCare mission of the day. Your journey begins when you sign up for our iCare group texts.

### iShare

Today we will open our mouths and declare that Jesus is Lord.

### iServe

Today is a day to get dirty and sacrifice for others.

### iWonder

Today we will invite our campus to ask God a question.

### iRest

Honor the Sabbath with others at church. Take a break from social media.

### iThank

Who are the under-thanked on our campus? Today we will find them and express our gratitude.

### iGive

What if we could keep a fellow classmate IN school and erase her "need" for an abortion?

# A FEW MISSIONS
